

## The 16th IEEE International Conference on Logistics and Supply Chain Management

### LOGISTICA 2025

University of Hassan II - ENCG Casablanca. Morocco. 28 - 30 May 2025.

"Intelligent Supply Chain in the Context of Inflation and Recession"

LOGISTIQUA is a scholarly event that convenes researchers and practitioners engaged in various facets of logistics and supply chain management. It serves as a platform for the exchange of methodologies, tools, models, and experiences, fostering advancements in research and creating new professional opportunities.

The 16th edition of the LOGISTIQUA conference is scheduled to take place at the National School of Commerce and Management Casablanca, part of Hassan II University in Casablanca. This year's conference not only addresses the traditional research themes but also emphasizes the Intelligent Supply Chain in the Context of Inflation and Recession. The focus will be on leveraging innovative technologies and intelligent digital solutions to enhance supply chain management, with the goal of improving resilience in fluctuating economic conditions.

### Indicative Topics

- AI to optimize the Supply Chain in the face of recession and inflation
- Intelligent Supply Chain and financial economy
- Customer loyalty- inflation and supply chain.
- SCM Economic and Financial Development
- Hospital logistics and healthcare
- Urban logistics and freight transport
- Modeling, optimization and simulation
- Transport systems, infrastructures and impacts
- Sector-specific logistics (humanitarian, military, space, energy, agricultural)
- Responsible, green and sustainable supply chain
- Artificial intelligence, Big Data and Supply chain
- supply chain risk management and resilience

### Important dates

**Submission of the full article**

**Submission date extended to  
April 15, 2025**

**Notification of Acceptance**

**April 27, 2025**

**Submission of the final version  
and registration**

**May 11, 2025**

**Conference date**

**28 - 30 May 2025**

### Paper submission

Articles must conform to the IEEE format (IEEE Template).

To be submitted exclusively on: [sciencesconf.org](https://sciencesconf.org)

Submission link: <https://logistiqua2025.sciencesconf.org>

[logistiqua.casablanca25@gmail.com](mailto:logistiqua.casablanca25@gmail.com)

### Important

- Authors can submit the full article (long paper of 6 to 9 pages).
- All submitted papers will be subject to double-blind peer review.
- Accepted papers (in English) will be included in the conference proceedings and will be submitted for possible publication in **IEEE Xplore** and proposed to **Scopus** database for possible indexation.
